Anna brings her prior professional experience working for the Indiana County District Attorney's Office and a Pittsburgh law firm to Gilliland Vanasdale Law Office, LLC. She earned her Criminology and Pre-Law Degree from Indiana University of Pennsylvania. Anna is a hard worker, working full time during the day while pursuing her Master's Degree in Legal Studies. Anna is following the can-do attitude and friendly service provided by her longtime predecessor who moved to Florida to open a business with her husband. Our clients comment on how they appreciate her organized, friendly, and compassionate service to help make their legal situations better! In addition to working as the firm's paralegal, she is a licensed Notary in the Commonwealth of Pennsylvania. Anna enjoys the law and helping people, spending time with her family and friends, exploring local cuisine and enjoying projects at her new home.
